Intent

This policy is intended to meet the requirements of *Accessibility Standards for Customer Service, Ontario Regulation 429/07* under the *Accessibility for Ontarians with Disabilities Act, 2005*, and applies to the provision of goods and services to the public or other third parties, not to the goods themselves.

All goods and services provided by HOWARD MARTEN shall follow the principles of dignity, independence, integration and equal opportunity.

Scope

This policy applies to the provision of goods and services at premises owned and operated by HOWARD MARTEN and applies to all employees who deal with the public or other third parties that act on behalf of HOWARD MARTEN, including when the provision of goods and services occurs off the premises of HOWARD MARTEN.

### General Principles

In accordance with the *Accessibility Standards for Customer Service, Ontario Regulation 429/07*, this policy addresses the following:

A. The Provision of Goods and Services to Persons with Disabilities;  
B. The Use of Assistive Devices  
C. The Use of Guide Dogs, Service Animals and Service Dogs  
D. The Use of Support Persons  
E. Notice of Service Disruptions  
F. Customer Feedback  
G. Training  
H. Notice of Availability and Format of Required Documents

A. The Provision of Goods and Services to Persons with Disabilities  

HOWARD MARTEN will make every reasonable effort to ensure that its policies, practices and procedures are consistent with the principles of dignity, independence, integration and equal opportunity by:

- ensuring that all customers receive the same value and quality;  
- allowing customers with disabilities to do things in their own ways, at their own pace when accessing goods and services as long as this does not present a safety risk;  
- using alternative methods when possible to ensure that customers with disabilities have access to the same services, in the same place and in a similar manner;  
- taking into account individual needs when providing goods and services; and  
- communicating in a manner that takes into account the customer's disability.
B. Assistive Devices
Persons with disabilities may use their own assistive devices as required when accessing goods or services provided by HOWARD MARTEN.

In cases where the assistive device presents a safety concern or where accessibility might be an issue, other reasonable measures will be used to ensure the access of goods and services. For example, open flames and oxygen tanks cannot be near one another. Therefore, the accommodation of a customer with an oxygen tank may involve ensuring the customer is in a location that would be considered safe for both the customer and business. Or, where elevators are not present and where an individual requires assistive devices for the purposes of mobility, service will be provided in a location that meets the needs of the customer.

C. Guide Dogs, Service Animals and Service Dogs
A customer with a disability that is accompanied by guide dog, service animal or service dog will be allowed access to premises that are open to the public unless otherwise excluded by law. “No pet” policies do not apply to guide dogs, service animals and/or service dogs.

Applicable Laws:
Dog Owners' Liability Act, Ontario: If there is a conflict between a provision of this Act or of a regulation under this or any other Act relating to banned breeds (such as pit bulls) and a provision of a by-law passed by a municipality relating to these breeds, the provision that is more restrictive in relation to controls or bans on these breeds prevails.

Recognizing a Guide Dog, Service Dog and/or Service Animal:
If it is not readily apparent that the animal is being used by the customer for reasons relating to his or her disability, HOWARD MARTEN may request verification from the customer.
Verification may include:
- a letter from a physician or nurse confirming that the person requires the animal for reasons related to the disability;
- a valid identification card signed by the Attorney General of Canada; or,
- a certificate of training from a recognized guide dog or service animal training school.

Care and Control of the Animal:
The customer that is accompanied by a guide dog, service dog and/or service animal is responsible for maintaining care and control of the animal at all time.

Allergies:
If a health and safety concern presents itself for example in the form of a severe allergy to the animal, HOWARD MARTEN will make all reasonable efforts to meet the needs of all individuals.
D. **Support Persons**
   If a customer with a disability is accompanied by a support person, HOWARD MARTEN will ensure that both persons are allowed to enter the premises together and that the customer is not prevented from having access to the support person.

   In situations where confidential information might be discussed, consent will be obtained from the customer, prior to any conversation where confidential information might be discussed.

E. **Notice of Disruptions in Service**
   Service disruptions may occur due to reasons that may or may not be within the control or knowledge of HOWARD MARTEN. In the event of any temporary disruptions to facilities or services reasonable efforts will be made to provide advance notice. In some circumstances such as in the situation of unplanned temporary disruptions, advance notice may not be possible.

   **Notifications will Include:**
   In the event that a notification needs to be posted the following information will be included unless it is not readily available or known:
   - goods or services that are disrupted or unavailable
   - reason for the disruption
   - anticipated duration
   - a description of alternative services or options

   **Notifications Options:**
   When disruptions occur HOWARD MARTEN will provide notice by:
   - using a pre-recorded message for the telephone system, posting notices in conspicuous places including at the point of disruption, at the main entrance and the nearest accessible entrance to the service disruption and/or on the HOWARD MARTEN website;
   - contacting customers with appointments; or
   - by any other method that may be reasonable under the circumstances.

F. **Feedback Process**
   HOWARD MARTEN shall provide customers with the opportunity to provide feedback on the service provided to customers with disabilities. Information about the feedback process will be readily available to all customers and notice of the process will be made available on the HOWARD MARTEN website. Feedback forms along with alternate methods of providing feedback such as verbally in person or by telephone or written hand written, delivered, website or email, will be available upon request.
